RE: Rouzer Group - New Inside Sales – Commodities Team Members

I am pleased to announce the addition of Aaron Johnson and Adam Bruggers to our Inside Sales – Commodities team. Aaron and Adam will be working closely with Doris Seim and Kyle Hicks over the next few months to learn the exciting world of electrical commodities.

Aaron comes from a diverse background to include heavy equipment operation, sales, group and senior living facilities. In these positions, Aaron has created and improved internal processes, mitigating coworker and client disputes all while maintaining clear and effective communication with co-workers and customers. Aaron is a proud father of two and has a passion for hunting, a lifelong piano player, and loves playing rugby.

Recently graduating from Hamline University in 2020, Adam comes to Rouzer from EcoLab as a Senior Customer Service Agent. In this position, Adam expertly prioritized workflows, deadlines, and competing priorities while collaborating with internal, cross-functional teams to resolve customer issues. Adam has a passion (*bordering on unhealthy*) with all Minnesota sports teams and recently found a love of travel. A Stillwater, MN native, Adam spends his free time fishing, golfing, and spending time at his family's cabin.

Join me in welcoming Aaron & Adam to the team!
