RE: Atkore™ Merges Konkore Fittings® with Allied Tube & Conduit®

Atkore™ has just announced that Konkore Fittings® will now be represented under the Allied Tube & Conduit® name effective immediately.

Allied Tube & Conduit® will see an influx of 1,600 high-quality fittings with solutions for every application including ridged, EMT, liquidtight, and cable connections. They will also continue to have a fast turnaround from four fully stocked distribution centers strategically located throughout the US.

On your next job, start getting connected with fittings from Allied Tube & Conduit®.
