RE: Rouzer Hires New Marketing & Operations Coordinator

Hello Business Partners,

Rouzer Group is proud to announce that Rebecca Olsen has joined our marketing team as of July 22nd, 2019. Rebecca comes to Rouzer from the world of advertising and design with 8 years of experience working closely with a variety of brands and ad placements.

As Marketing & Operations Coordinator, Rebecca will be working alongside distribution to best represent our manufacturers brands in the Rouzer territory. She will be managing promotions, pushing email campaigns, and ensuring marketing/coop dollars are being spent strategically.

Personally, Rebecca enjoys fashion, design, and all things Apple. Yet, you can still find her on the golf course and spending time in with her friends and family. She also enjoys reading, studying history, and traveling.

Please join us in congratulating Rebecca!
