RE: Chris Hiniker hits the Big Leagues

Hello Business Partners,

As of July 1, 2019, Rouzer Group is proud to announce that Chris Hiniker will be promoted to the Northern Territory Tool and Fastener Account Manager! Chris has many years' experience in our industry and has been working as our Tool Specialist in support of our Tool and Fastener Division as well as our Electrical Division. Chris has been through training with all our manufacturers and extensive training at JPW, Greenlee, Louisville Ladder and Fein Tools. Chris has excelled in his current position as Tool Specialist and has shown himself as a natural at sales, especially at presentations and demonstrating tools.

Chris will be replacing, Mike Laudenschach who has decided to leave the company after 4 years. Mike will be remaining in the area but selling unrelated construction tools. We hate to lose Mike but wish him the very best in his new venture!

Chris's contact info is below, feel free to welcome him to the big leagues.

Email: Chris@rouzer.com

Direct: 612-723-4809

Thanks,
