RE: Rouzer Group Signs a New Manufacturer – EvoCharge

Rouzer Group is happy to announce that we are your official EvoCharge Representatives featuring commercial and residential electric vehicle charging station solutions.

Acquired by Phillips & Temro Industries (PTI) in 2019, EvoCharge was able to add over 100 years of trusted experience in the global automotive industry providing OEM and aftermarket engineered systems including solutions for heating, cooling, and electrical components. PTI has backed EvoCharge's innovations with proven success.

As a premier electric vehicle charging station company, EvoCharge provides true Open Charge Point Protocol (OCPP), Electric Vehicle Supply Equipment (EVSE) charging stations, and cable management solutions. EvoCharge's company goal is to make charging your electric vehicle easy, safe, reliable, and cost-effective, whether you're looking to upgrade to a Level 2 system or want to streamline your charging experience with better cable management.
