RE: Rouzer Group - New Manufacturer Announcement

Exciting news! The Tool division of Rouzer Group is now proudly representing FARO Tools in Minnesota, North Dakota, South Dakota, Wisconsin, and the Upper Peninsula of Michigan! With experience spanning 30 years, FARO is dedicated to creating groundbreaking industrial marking tools tailored for professional tradespeople.

FARO offers four primary product lines:

MASON®: A versatile 6-in-1 tool featuring lead, soapstone, and scribe functionalities, engineered to streamline your work.

MOKEN®: A rugged 4-in-1 multi-tool perfect for outdoor use. Its one-handed press-tip operation and all-weather refill ensure readiness in any environment.

SaberPaint®: The industry's first retractable paint marker, delivering a durable, Xylene-free, opaque mark.

SaberPERM™: A permanent marker with a high-visibility body, ensuring easy retrieval and preventing loss in toolboxes or job sites.
