RE: Rouzer Group Signs a New Manufacturer – GREX Power Tools

Rouzer Group is happy to announce that we are your official GREX Tool Representative featuring Professional Fastening Systems and Airbrush Products.

GREX offers a full line of nailers, staplers, and pinners that encompass a wide range of applications. Along with their tools, GREX also offers fasteners and maintenance repair parts with service locations. Continually driving to expand their line of cutting-edge products has led them to introduce an entire family of innovative one-of-a-kind air tools for the woodworking industries.

If you would like more information on GREX Power Tools and their state-of-the-art professional fastening systems, pneumatic-powered hand tools, and precision metalworking tools, please contact us at Rouzer Group.

Learn more on our website [GREX Power Tools](#).

Thanks,

A handwritten signature in black ink, appearing to read "Gary B. Monn". The signature is stylized and fluid.
