RE: Rouzer Group - New Tool Account Manager

I am delighted to announce the newest member of our team, Greg Hunhoff, who joins us as an Account Manager. As of February 19th, Greg has been taking over accounts in South Dakota, Iowa, and some parts of southwest Minnesota, working closely with Bob Maurer and myself to ensure a smooth transition.

Greg brings a diverse background to our team, having graduated from the University of South Dakota with a degree in Business Administration. His previous experience in construction and project management has equipped him with valuable skills that will undoubtedly contribute to our team's success.

A native of South Dakota, Greg is deeply rooted in the region and brings with him a passion for community and customer service. Outside of work, Greg is a certified referee for South Dakota and Iowa high school football, showcasing his dedication and leadership qualities. He also enjoys golfing, cooking (especially barbecue!), and spending quality time hiking and camping with his family.

Over the next few weeks, Greg will be immersing himself in learning about our manufacturers and meeting our valued customers in the field. Bob Maurer will continue to work with his Minnesota accounts, ensuring a seamless transition for all involved.

Please join me in extending a warm welcome to Greg as he embarks on this exciting new chapter with us. We are thrilled to have him on board and look forward to the positive impact he will undoubtedly make on our team.

Greg Hunhoff

Tool Account Manager
