RE: Rouzer Group - New Electrical Account Manager

I am excited to announce the addition of Kevin Westbrook to our Rouzer Team as an Electrical Account Manager. Being new to the electrical industry, Kevin will be working through an immersion process with myself and our Electrical Inside and Outside teams over the next few months. Following Kevin's onboarding/immersion, a formal account/territory announcement will follow by the end of the year.

Kevin is native to the south Twin Cities suburbs and currently lives in Shakopee with his wife and three children (13, 7, and 5 yrs. old). He played Strong Safety at the University of Minnesota Duluth and enjoys hunting, fishing, and coaching his children(s) sports in his personal time. With more than 16 years of outside sales, Kevin is looking forward to building relationships and cementing himself with Rouzer and the electrical industry.

Please join us in welcoming Kevin to the team!
