RE: Matt Welch promoted to Lighting & Controls Specialist

Hello Business Partners,

Rouzer Group is proud to announce that Matt Welch has been promoted to Lighting & Controls Specialist! Matt started as inside sales for Rouzer's Lighting Team over 5 years ago and has proven to be a valuable asset to the Rouzer territory. Last year Matt was promoted to Partner and Team Lead and continued to take on more to further Rouzer's success. With his dedication and commitment to our customers, we believe it is time to kick him out into the field.

Matt's new position will have him out in the territory calling on contractors and end-users of Rouzer's Lighting & Controls manufacturers.

Please join us in congratulating Matt!
