RE: Rouzer Group Signs on New Manufacturer – RIKON Power Tools

Happy to announce that as of April 1st, 2020, Rouzer Group is your official RIKON TOOLS Representative. Rikon is rated among the highest quality woodworking tools and machinery and our pricing is very competitive, we also have an additional discount program for product you display on your show floor.

One of our Account Managers would be thrilled to follow up and will have "hip pocket" promo's on Rikon for you. I have attached a Rikon Catalog along with our linecard. In the meantime, please let us know if we can be of service to you.

About Rikon:

Rikon is able to accomplish the highest quality of woodworking machinery by analyzing woodworker's needs and expectations to constantly improve its products, all at a reasonable price. They take great pride in getting to know their customers and listening to their questions and suggestions.

Rikon's Technical Parts Department is available to service questions and parts/warranty needs. Their staff's knowledge of woodworking and product design is important to completely answer customers accurately and efficiently. Their extensive parts inventory enables them to fulfill needs very quickly, so you can get back to work - fast.

Thanks for your business,
Gary Monn
